6.06 If advantage of the provisions of this Article and Article 7 is not taken within the time limits specified, or as extended in writing as set out above, the grievance shall be deemed to have been abandoned and may not be re-opened.

6.07 For the purpose of the time limits in this Article, any grievance or response received after 4:00 p.m., will be deemed to have been received the next business day.

ARTICLE 7 - ARBITRATION

7.01 The parties to this Agreement agree that any grievance concerning the interpretation or alleged violation of this Agreement which has been properly carried through all the steps of the grievance procedure outlined in Article 6 above and which has not been settled,

7.02 The Board of Arbitration will be composed of one (1) person appointed by the Employer, one (1) person appointed by the Union and a third (3rd) person to act as Chairman chosen by the other two (2) members of the Board.

7.10 Notwithstanding Article 7.09 above, a discipline and/or discharge grievance may only be referred to arbitration under the Local 183 Expedited Enforcement System if the Employer so agrees in writing.

ARTICLE 8 - MANAGEMENT GRIEVANCES AND UNION GRIEVANCES

Re: No Strike – No Lockout Agreement 2022-2025

WHEREAS the Union and the Association have entered into a Collective Agreement which is effective on its face from May 1, 2019 to April 30, 2022;

AND WHEREAS the Union and the Association contemplate entering into a renewal collective agreement which will be effective for the period May 1, 2022 to April 30, 2025 (the "successor collective agreement");

AND WHEREAS the Union and the Association are desirous of ensuring that the settlement of the successor collective agreement will be settled without a strike or lockout;

NOW THEREFORE the Union and the Association agree as follows with respect to the renewal of the successor collective agreement:

- 1.** If the Union and the Association are unable to agree upon the terms and conditions the successor collective agreement, then on or about April 30, 2022, either party may refer the settlement of the new collective agreement to final and binding arbitration;

3. The Parties agree that, in order to meet the need for expedition in the construction industry, they will agree upon a mutually acceptable arbitrator by no later than April 30, 2022 although it is understood that simply agreeing to an arbitrator in no way means that the agreement(s) must be settled by arbitration;
4. Upon the issuing of a written notice of desire to proceed to final and binding arbitration to both the other party and the arbitrator, the arbitrator will commence a hearing with respect to the arbitration within thirty (30) calendar days of the date of notice or thereafter if mutually agreed to by the Parties.
5. It is agreed that the arbitrator will hear, and will have the necessary jurisdiction to determine, all lawful proposal and positions which are put before him by either party, and there is no restriction upon the number of issues which may be put to the arbitrator. Further, the parties agree that the arbitration process will not be one of final selection.
6. With respect to the agreement set out in paragraph 5 above, the parties agree that they may mutually agree to modify the arbitration proceedings such that the number of issues proceeding to arbitration may be limited and/or that final offer selection may be utilized for all or part of the arbitration procedure.
7. It is agreed that the arbitrator will issue his decision within seven (7) calendar days of the date of the hearing and that the monetary increase (if any) shall be retroactive to May 1, 2022.
8. It is agreed that any arbitrations which are required as between the Union and the Association will be the "industry arbitration" and accordingly pursuant to the terms and provisions of the Association's accreditation and the terms and provisions of the

Collective Agreement, including but not limited to this Letter of Understanding, that such decisions will be final and binding upon any Employer bound to this or any similar independent collective agreement, for all purposes;

9. The Parties agree the agreements, duties, obligations and rights set out in this Letter of Understanding form part of the Collective Agreement which is binding upon them and in addition constitute a settlement of the proceeding under the Act which is enforceable under Section 96(7) of the Act and accordingly are enforceable both as a term and provision of the Collective Agreement and under the provisions of the Act with respect to the settlement of proceedings.

10. The Parties agree that the Interest Arbitrator, if used, in the Collective Agreement renewal negotiations in 2022 shall have no jurisdiction to re-impose and/or continue this Letter of Understanding or other type of provision that imposes a no strike/no lockout regime for the Collective Agreement renewal negotiations in 2025 for the Renewal Collective Agreement from May 1, 2025 until April 30, 2028 or any successive collective agreements thereafter.

RE: Harassment Disputes

WHEREAS the Occupational Health and Safety Act requires all employers to have a policy with respect to workplace violence and harassment;

AND WHEREAS the Union and the Association agree that generally it is appropriate that issues or complaints of workplace violence or harassment should be investigated by the Employer under their policy prior to a grievance being filed;

subject to paragraph 10 below.

The Trustees of the Health Benefit Plan shall have full discretion to ensure funding of the Health Benefit Plan on an actuarial basis and in no event shall the redirection of funds exceed \$0.50 per hour earned under the Collective Agreement.

4. The redirection of contributions in paragraph 3 shall not be construed as changing the procedure and deadlines for contractors to remit monthly contributions. The procedures and deadlines in the Collective Agreement will prevail.

5. The Parties agree the redirection of contributions from the Health Benefit Plan to the SUB Plan shall not result in the reduction of any benefit entitlement to any member entitled to coverage under the Health Benefit Plan.

This includes, but is not limited to, the deadlines for

contribution remittances, procedures for remitting contributions, the powers of the Union and/or Trustees to request documents from contractors and to perform audits of individual contractors, charge interest, liquidated damages and any other penalty that may be imposed on contractors for failing to remit contributions. The provisions of the Collective Agreement in respect of any of the aforesaid matters will prevail. In the absence of any provision in the Collective Agreement, no such power on the part of the Union or the Trustees can be inferred despite the provisions of the SUB Plan or the Trust Agreement.

APPENDIX "B"

ENFORCEMENT SYSTEM

BETWEEN:

Ontario Concrete & Drain Contractors' Association
(the "Association")

-and-

Labourers' International Union of North America, Local 183
(the "Union")

WHEREAS, the parties have agreed that they will establish an expedited method of arbitration.

NOW THEREFORE the parties agree to the following Enforcement Mechanism for incorporation into the Collective Agreement binding between the parties.

I. EXPEDITED ARBITRATION

(A) Arbitrator

Laura Trachuk and Michael Horan, or an arbitrator who is mutually agreeable to both parties will be the arbitrator for this Enforcement System.

(B) Expedited Arbitration Procedure

1. The term "Grievance", wherever used in this Enforcement System, shall mean a grievance concerning the interpretation, application, administration or alleged violations of a provision of the Collective Agreement including but not limited to:

- payment for hours worked;
- rates of pay;
- overtime premiums;
- travelling expenses;
- room and board allowances;
- reporting allowances;

- welfare, pension, industry fund and any other funds, dues or other form of compensation to or on behalf of an employee and/or the Union;
- Notwithstanding 7.09 a discipline and/or discharge grievance may be referred to the Expedited Enforcement System only if the Employer agrees to in writing.

2. Any party bound by this Enforcement System may initiate the Expedited Arbitration process by service of a Grievance, in writing, by facsimile transmission, registered mail, regular mail or courier (including Canada Post Courier) on the affected Contractor. Service shall be deemed to be achieved if the Grievance is received at the last known address of the Contractor; whether listed in the original Collective Agreement or not, at an alternate address for which written notification has been forwarded to the Union.

3. The Union may refer any Grievance concerning a violation of the Collective Agreement to Expedited Arbitration. Notice of such referral to Expedited Arbitration shall be served by facsimile transmission, registered mail, regular mail or courier (including Canada Post Courier) upon the Contractor, the Association and the Arbitrator.

4. Service shall be effective on receipt, if facsimile transmission, courier registered mail or regular mail is used and all parties, shall be deemed to have been properly notified.

5. The Arbitrator shall commence the Expedited Arbitration Hearings no sooner than five (5) days from the date of service of the Referral to Expedited Arbitration. Counsel, if retained by a party, must be able to accommodate the hearing schedule as set by the Arbitrator. Adjournments will not be granted because of the unavailability of counsel, for business demands or because a party asks for additional time to prepare.

6. Subject to the discretion of the Arbitrator, the Expedited Arbitration Hearings shall be held at the Union office, and may be scheduled by the Arbitrator to commence after normal business hours including Saturdays and Sundays.

7. Where the Arbitrator finds the Contractor in breach of the Collective Agreement, the Arbitrator shall order the Contractor to pay all amounts owing with respect to violations of the Collective Agreement. For the following specific types of violations the following terms will apply:

(a) For payment of hours of work, rates of pay, overtime premiums, travel expenses, room and board allowances or any other form of compensation to an employee in accordance with the following;

(i) Where the Grievance is initiated between one (1) and sixty (60) days after the circumstances giving rise to the Grievance became known or ought reasonably to have become known to the affected employee(s) the Arbitrator shall award the affected employee(s) recovery of one hundred percent (100%) of the unpaid amounts; or

(ii) Where the Grievance is initiated at any time beyond sixty-one (61) days after the circumstances giving rise to the grievance became known or ought reasonably to have become known, to the affected employee(s) the Arbitrator shall award recovery of seventy-five (75%) percent of unpaid amounts to be paid to the affected employee(s) and twenty-five (25%) percent of the unpaid amount to be paid to the Union in the form of damages.

(b) For payments in respect of Welfare, Pension, Prepaid Legal, Health and Safety, Training, Union Dues, Working Dues, and Industry Fund or any other fund referred to in the Collective Agreement, or any other form of compensation payable on behalf of an employee or to the Union and any interest or penalty payments provided for in the Collective Agreement, the Arbitrator shall award recovery of one hundred percent (100%) of the unpaid amounts.

8. The Arbitrator shall have the power to make the Arbitrator's cost (fees and expenses) an Award or part of any Award against any party and to be payable to the Union and the Association equally in trust for the Arbitrator.

9. (a) This arbitration process shall be in addition to and without prejudice to any other procedures and remedies that the parties may enjoy including applications to a court; or to the Ontario Labour Relations Board pursuant to section 96 of the *Labour Relations Act, 1995*, as amended; or the *Construction Lien Act*; or any other operative legislation; or as provided for under the Collective Agreement.

(b) Any Grievance concerning the interpretation, application, administration or alleged violation of the Collective Agreement may be processed through the grievance/arbitration procedure outlined in the Collective Agreement or under this Enforcement System or referred to arbitration pursuant to section 133, or any other applicable section, of the *Labour Relations Act, 1995* provided however that any Grievance may not be processed under more than one (1) of these arbitration mechanisms.

(c) Where a Grievance has been properly referred under the procedure provided for in this Enforcement System, it is understood and agreed that all of the parties shall be deemed to have waived any right to refer the Grievance to arbitration under section 133 of the *Labour Relations Act, 1995* or pursuant to the appropriate Articles of the Collective Agreement and any such referral shall be null and void.

(d) In the alternative, should a grievance which has been or could have been referred to arbitration under this system be referred to arbitration under section 133 of the *Labour Relations Act, 1995* or under the appropriate articles of the Collective Agreement, and should the Ontario Labour Relations Board, or any other Arbitrator determine it has jurisdiction, then the parties agree that the terms of

this Enforcement System form part of the Collective Agreement and will be applied as such and will be varied solely to reflect the different method of referral.

(e) It is understood and agreed that the Arbitrator's decision is final and binding with respect to those matters referred to the Arbitrator. The Arbitrator shall have all the powers of an Arbitrator under the *Labour Relations Act, 1995*, as amended, including but not limited to the power to require records and/or documents to be produced prior to and/or at the hearing and the power to issue summons to witness and to thereby compel attendance. The decision of the Arbitrator, inclusive of orders for payment of any monies in respect of damages, costs, Arbitrator's fees and/or penalties, is deemed to be a decision of an Arbitrator pursuant to the *Labour Relations Act, 1995*, as amended, and enforceable as such.

10. At Expedited Arbitration the Arbitrator shall not have any power to alter or change any of the provisions of this Enforcement System or substitute any new provisions for any existing provisions nor give any decision inconsistent with the provisions of this Enforcement System and the Collective Agreement.

II. UNION INVESTIGATION COMMITTEE

1. The Union shall establish a Union Investigation Committee consisting of the following persons:

- (b)** the Sector Co-Ordinator or his designate; and

to and/or condoned violations of the Collective Agreement or otherwise failed to take appropriate action or acted inappropriately in dealing with violations of the Collective Agreement and/or the Enforcement System.

3. The Union Investigation Committee shall have the power to recommend that charges under the Union Constitution be brought against the Union Business Representative(s) and/or Union Member(s) in respect of the allegations brought to its attention.

4. The Union Investigation Committee shall prepare a report of the results of any investigation of complaints including its conclusions as to the validity of the complaints and any action taken to deal with the matters raised.

5. A copy of the report prepared by the Union Investigation Committee will be provided to the Labour-Management Joint Committee.

6. In the event that the Labour-Management Joint Committee is not satisfied with the report of the Union Investigation Committee, in that it is not satisfied with the appropriateness of the Union's response, or is deadlocked over the issue, any member of the Labour-Management Joint Committee may refer a complaint to the Arbitrator for a determination.

7. Any reports or investigations are to be strictly confidential and are to be used only in reference to Article II herein.

III. LABOUR-MANAGEMENT JOINT COMMITTEE

1. The Labour-Management Joint Committee shall be established consisting of the following persons:

- (a)** The Business Manager or his designate; and
- (b)** The Union Sector Coordinators or their designates; and

- (c) A representative designated by the Toronto Residential Construction Labour Bureau; and
- (d) A representative designated by the applicable Contractors' Associations.

2. A quorum of the Labour-Management Joint Committee shall be the duly-appointed members or their proxies.

3. The Labour-Management Joint Committee will meet to discuss matters of joint interest, including the interests of the Industry, problem solving, monitoring and evaluating compliance with the Collective Agreement and this Enforcement System within seven (7) working days of notice, in writing, of a request for a meeting by any Committee Member. The Union Business Manager shall schedule all such meetings after consultation with the other Labour-Management Joint Committee Members.

4. Decisions of the Labour-Management Joint Committee shall be taken by consensus and with the unanimous support of all members of the Committee.

5. In the event the Labour-Management Joint Committee is unable to agree on a course of action to deal with a matter, the Arbitrator shall attempt to mediate any disagreement. Failing resolution of the matter at mediation, the Arbitrator shall cast a deciding vote.

6. The Labour-Management Joint Committee may augment and improve the Enforcement System only upon unanimous agreement of the Committee members. The deciding vote of the Arbitrator shall not apply to any issues involving any such improvements to this Enforcement System. The Labour-Management Joint Committee shall not have the power to derogate in any material fashion from this Enforcement System.

7. The Labour-Management Joint Committee shall have no power to order the Union, its Business Representatives and /or its members to post a bond or Letter of Credit to secure

payment of damages or levies or impose discipline, fines, suspensions or expulsions. Such proceedings must occur under the Union Constitution. Any complaint that may warrant such remedial action may be initiated by any party in writing to the Union Investigation Committee.

8. The Labour-Management Joint Committee may initiate proceedings before the Ontario Relations Board on behalf of the Union and the Toronto Residential Construction Labour Bureau and the Association to compel compliance with the Collective Agreement and this Enforcement System, in circumstances where it is satisfied that there is a deliberate concerted effort to undermine, evade and/or avoid the provisions of the Collective Agreement and this Enforcement System.
