**METROPOLITAN TORONTO APARTMENT BUILDERS' ASSOCIATION
COLLECTIVE AGREEMENT**

THIS AGREEMENT made and entered into as of the 1st day of May, 2022.

BETWEEN:

Metropolitan Toronto Apartment Builders' Association

(hereinafter called the "Association")

- of the First Part;

- and -

Labourers' International Union of North America, Local 183

(hereinafter called the "Union")

- of the Second Part.

WHEREAS the Association, acting on behalf of its member Companies, and acting on behalf of certain other Employers with whom the Union has bargaining rights, pursuant to the Accreditation Order issued by the Ontario Labour Relations Board (OLRB), and the Union wish to make a common Collective Agreement with respect to certain employees of the Employers engaged in construction as defined in Article 1 of this Collective Agreement and provide for and ensure uniform interpretation and application in the administration of the collective bargaining agreement;

AND WHEREAS the Employers recognize the Union as the Collective Bargaining Agent with respect to the employees of the Employers covered by this Agreement and all other Employers engaged in construction under this Agreement;

NOW THEREFORE it is agreed as follows:

ARTICLE 1 - RECOGNITION – CO-OPERATION – CONTRACTING OUT

1.01 Each of the Employers recognize the Union as the Collective Bargaining Agent for all of its own construction employees engaged in the on-site construction of all types of apartment buildings only and their amenities, up to the takeover of the said construction project or part thereof by maintenance and management employees of the Employer or maintenance and management employees of some other employer, save and except employees employed as non-working foreperson, watchperson and operating engineers in OLRB Areas Nos. 7, 8, 9, 10, 11, 12, 18 and 27. For the purpose of this Agreement, the parties agree that the term “operating engineers” does not include employees operating small equipment such as mini-skids, steer loaders, mini-backhoes, bob-cats and similar small equipment, or personnel and material hoist operators, which employees are covered by this Agreement and shall be members of the, Labourers’ International Union of North America, Local 183 (the “Union”).

1.02 Without restricting the generality of the foregoing, and for the purposes of clarification, it is agreed that the following building types shall be deemed to be an apartment building for the purposes of this Agreement:

- (i)** all Public Housing, Co-Operatives, Senior Citizens’ and Student Housing;
- (ii)** a stacked row dwelling, which means a building divided vertically into three (3) or more dwelling units and horizontally into four (4) or more dwelling units, each having its own private entrance;
- (iii)** a stacked structure which is four (4) storeys or more above grade;
- (iv)** notwithstanding items 1.02(i) and 1.02(ii), a traditional three (3) storey with common corridors, stairwells, and parking;
- (v)** a separate structure which includes space designed to be used for commercial, retail and/or office purposes of not more than fifty percent (50%) of the gross floor area (excluding parking and recreational facilities);

- (vi) those sections of a multi-towered single complex on a common podium which are divided vertically by the lines relating directly to commercial and residential sections; then each section shall be built according to its base use;
- (vii) a separate residential structure(s) which forms part of a single project with an apartment building(s) under a common deed, architectural design and building permit;
- (viii) structures used for sleeping accommodation and/or occupancies in which persons, because of age, mental or physical limitations, require special care or treatment, and all facilities connect therewith;
- (ix) the other paragraphs of this Article 1.02 notwithstanding, the term “apartment buildings” when used in this Collective Agreement shall not include low-rise housing as that term is defined in the collective agreement between the Toronto Residential Construction Labour Bureau and the Union.
- (x) It is understood that Light Wood Framed Apartment Buildings are “low-rise” housing as defined in the TRCLB Agreement. A Light Wood Framed Apartment Building is a building where the superstructure is light wood framed, and also those where the superstructure is a mix of concrete (including Slab on Grade/Core Slab) and light wood framing. The use of LVL, CLT, NLT or other engineered wood products, or other beams or posts in a light wood framed superstructure does not alter the character of a light wood framed building.

1.03 In the event an Employer covered by this Agreement is engaged in the construction of an apartment building as herein defined, by means of a corporation, individual, firm, syndicate or association or any combination thereof, and where the Employer is the builder, it shall be deemed that the corporation, individual, firm syndicate or association or any combination thereof, is bound by the Agreement for the purposes of such construction work.

Each of the Employers agree that when engaged in the on-site construction of “low rise housing” they shall abide by the terms and conditions of the collective agreement between the Toronto Residential Construction Labour Bureau and the Union.

The terms “low rise housing” whenever used in this Collective Agreement shall be given the same meaning as that term given in the collective agreement between the Toronto Residential Construction Labour Bureau and the Union.

1.04 (a) In Board Areas 7, 8, 27 and the Simcoe County portion of 18, should an Employer contract or subcontract the following work all such work shall be contracted or subcontracted to companies in contractual relations with the Union and which are bound to, and are applying, the applicable Local 183 Collective Agreement for such work as listed in Article 1.05;

- (i) General Construction labour (including personnel and material hoist operators);
- (ii) Concrete Superstructure;
 - forming
 - reinforcing steel placing
 - concrete placing and finishing;
- (iii) Concrete and Drain;
- (iv) Paving and Parking Lot Construction;
- (v) Hard Landscaping;

- (ix)** Bricklaying and Masonry, including (i) the installation of all exterior air / moisture barrier and insulation behind brick, block, masonry or stucco, (ii) the covering, tarping or untarping of all masonry/stucco scaffolding, and (iii) the exterior installation of EIFS/stucco;

For the purpose of clarity, “installation of exterior EIFS/stucco” includes any application of exterior stucco onsite but does not include the installation of any prefabricated exterior wall assembly manufactured off-site.

- (x)** Self-Levelling of concrete floors; and
 - *The application of dry-pack and/or self-compacting concrete materials is not included in this definition;
- (xi)** Effective May 1, 2023, In-suite Marble, Tile, and Terrazzo.

*Countertops and custom cut slab products are not included in the definition of in suite marble, tile and terrazzo work.

All such work shall be contracted or subcontracted to companies in contractual relations with the Union.

(b) Should an Employer contract or subcontract any portion of the concrete forming construction work referred to in Article 1.04.a (ii) above, the Employer shall contract or sub-contract all the phases of such construction work at the project to the same formwork contractor in recognition of the benefits derived from the employment by such contractors of composite, multi-skilled crews who perform all phases of the concrete forming construction work.

(c) The Union must forthwith supply to the Association a list of those contractors which are in contractual relationship with it, which lists shall be revised by the Union as necessary, but in no event less than quarterly. The Union must also supply to the Association a copy of all current collective agreements with each and every Employer's Organization for every trade or sub-trade mentioned in the subcontracting clause of the cross-over of this Agreement. (d) On the signing of the Collective Agreement, and thereafter by January 15th of each following year, the Association shall provide the Union with a current copy of its membership list.

1.05 Cross-Over Clauses: For the purposes of clarity it is agreed that this Article only applies when the Employer is performing work covered by the Union's other collective agreements as set out below with its own employees and does not apply to the Employer's contracting / subcontracting obligation set out in other provisions of the Collective Agreement. Should the Employer perform any work falling within the scope of the following collective agreements of the Union, then the Employer shall abide by and perform such work in accordance with the terms and conditions of the applicable collective agreement except for any terms and conditions in respect of contract or sub-contract restrictions which shall only be subject to and governed by the provisions of this Agreement:

In the event that the Employer is unable to employ members of the Union in good standing, then the Employer shall notify the Union of their workforce requirement. ARTICLE 4 - GRIEVANCE PROCEDURE

4.01 The parties to this Agreement are agreed that it is of the utmost importance to adjust complaints and grievances as quickly as possible.

4.03 Grievances properly arising under the Agreement shall be adjusted and settled as follows:

- (i) Within twenty-one (21) days after the circumstances giving rise to the grievance occurred or originated (except in the case of a discharge grievance, which shall be presented within five (5) working days), the grievance shall be presented to the Employer in writing, and the parties shall meet within five (5) working days in an endeavour to settle the grievance.
- (ii) Grievances dealing with alleged violation of hours of work, rates of pay, overtime, vacation pay, travelling expenses, pension and welfare contributions and other monetary items may be brought forward within three (3) months after the circumstances giving rise to the grievance became known or ought reasonably to have become known to the Union of such alleged violations. 5.03 In the event that during the lifetime of this Agreement one (1) or more of the said agreed-upon official arbitrators will be unable to serve their term as arbitrator then the parties shall meet within ten (10) working days of receiving such notice of the termination from the arbitrator(s) and agree to appoint a new person(s) to act as official arbitrator(s). In the event that the parties will be unable to agree upon the official arbitrator(s), then the matter shall be referred to the Minister of Labour of the Province of Ontario who will be asked to nominate a person(s) to act as official arbitrator(s).

5.04 Upon receipt of a Notice to Arbitrate, the arbitrator shall arrange a hearing at the earliest possible date, but in every case all interested parties shall be given at least two (2) clear days notice.

5.08 In determining the time which is allowed in the various steps, Sundays and statutory holidays shall be excluded, and any time limits may be extended by agreement of the parties, in writing and otherwise if an arbitrator or board of arbitration agrees that it is reasonable and equitable to do so in all the circumstances.

5.09 The parties to the Agreement shall jointly bear the expenses of the Arbitrator.

5.10 In addition to the above procedures, a grievance arising under the provisions of this Agreement may be referred to the Expedited Arbitration Procedure established by the Local 183 Expedited Enforcement System attached hereto as Appendix "A". It is further agreed that the terms and provisions of the Local 183 Expedited Enforcement System, shall form part of this Agreement and that all such incorporated terms and conditions of the Local 183 Expedited Enforcement System, along with any other part of this Agreement, may be interpreted and applied by an arbitrator or board of arbitration with jurisdiction arising out of this Agreement, the Local 183 Expedited Enforcement System or the Ontario *Labour Relations Act*.

ARTICLE 6 - MANAGEMENT GRIEVANCES – UNION GRIEVANCES

6.01 It is understood that the Employers, or any of them may, through the Association, file a grievance with the Union and that if such complaint is not settled to the satisfaction of the parties concerned, it may be treated as a grievance and referred to arbitration in the same way as a grievance of an employee. Such grievances shall be processed as set out in Article 4.03 hereof.

6.02 A Union Policy Grievance which is defined as an alleged violation of this Agreement concerning all or a number of the employees in the bargaining unit, in regard to which an individual employee could not grieve, or in regard to which a number of employees have signified an intention to grieve, may be brought forward, in writing, in accordance with Article 4.03 of the Grievance Procedures, and if it is not settled at this stage, it may ultimately go to a Board of Arbitration in the same manner as a grievance of an employee.

It is further agreed that prior to recalling any apprentices to work, all journeypersons with seniority rights under this Collective Agreement or who have been laid off by the Company not less than three (3) months prior to the date of recall, will be recalled. It is further agreed that prior to registering or hiring any new apprentices, the Employer will recall any apprentices on layoff (for a period to be determined by the joint committee), providing that such apprentices are capable of performing the available work.

The Employer agrees that any employees may individually decide to refuse to cross a picket line which has been placed on any project where the employee is or has been assigned to work. The Employer agrees that such individual decisions made by the employees concerned shall not constitute an unlawful strike within the

provisions of the Ontario *Labour Relations Act* or this Collective Agreement and the Employer agrees not to bring any proceedings of any kind or nature whatsoever against any person or the Union for such conduct. In the event that any employees do individually decide to refuse to cross a picket line, then they will be assigned to such other work on such other projects as is available or will be deemed to be on temporary layoff until either the picket line is removed or the employees decide that they will no longer refuse to cross the picket line. This Article shall only apply to such picket lines established by the Union against any employer which continues to perform work on the particular project(s) where the picket line has been established.

10.05 In the event that during the term of this Collective Agreement industry developments or practices result in new methods of construction and/or result in the requirement for new classifications of any employee of the Employer covered by this Collective Agreement, whether or not such changes are the result of technological change or not, the Employer and the Union shall meet within fifteen (15) days notice of either upon the other and commence negotiations. The sole and restricted purpose of these negotiations shall be to establish such classifications and wage and/or piecework rates applicable thereto. Failing the agreement of the parties with respect to the establishment of new classifications and/or wage and/or piecework rates applicable thereto, either party may refer such issues to arbitration for final binding determination.

Re: Repetitive Violations of the Collective Agreement

The Parties agree that where an Employer has repeatedly violated the terms and provisions of the Collective Agreement with respect to the payment of wages, the remittances required by the Collective Agreement to be paid to the Union and/or others and/or the contracting and subcontracting restrictions, the Union may request a complete financial audit of the Employer's books and records by a qualified accountant to be chosen by the Union. LETTER OF UNDERSTANDING NO. 10

Re: Sub-Contracting and Cross-Over Provisions

The terms of this Letter of Understanding No. 10 shall apply to the MTABA Agreement.

The Parties agree as follows with respect to adding a new type of work to subcontracting provisions set out in this Collective Agreement, and/or in expanding the existing subcontracting provisions to a new geographic area covered by this Collective Agreement and/or in adding a collective agreement to the cross over provisions of this Collective Agreement:

1. For the purpose of this Letter of Understanding a new type of work shall refer to a particular part of the construction industry as described by work jurisdiction and need not reflect the full scope of work listed in any collective agreement.

Unless the parties agree or an arbitrator orders otherwise, a request to include such subcontracting (the "request") must reflect the geographic scope of the applicable Schedule under which the work is being requested (*e.g.* Board Area No 8 and Simcoe County, Board Area 7 and 27, *etc.*) and need not reflect the full geographic scope of this Collective Agreement.

The parties further agree that once a type of work is included in the subcontracting provisions, any request to extend the subcontracting to a new geographic area shall use the same definition of the type of work as is already included in the Collective Agreement.

2. If, at any time during the term of the Collective Agreement, the Union is successful in entering into contractual relations with seventy (70) percent of the contractors or subcontractors, employing at least seventy (70%) percent of the employees, in any particular part of the residential construction sector of the construction industry, then the Union may request that type of work to be included in the subcontracting provisions, and if it can establish that it meets such requirement then the Employer will only contract or subcontract such work to companies who are in contractual relations with the Union;

3. In assessing a claim under paragraph 2, the parties will have regard to the four (4) week period immediately prior to the Union's request, having regard to work performed by all employees and/or contractors in the geographic area being claimed but shall exclude any employer who has not performed any of the work which is the subject of the request for any Union or non-Union builder (which includes any developer or general contractor) in the residential sector in the relevant geographic area during a) the term of the agreement, or b) the 2 year prior to the request, whichever is greater.
4. Where the parties are unable to agree as to whether the Union has met the test set out in paragraph 2, then it shall be dealt with by way of an arbitration, and both parties agree to schedule such matters expeditiously and to fully cooperate in gathering and exchanging such documents and information as may be relevant to the case such that the hearing will occur within 90 days of the Union's request. In the interest of expedition, the parties also agree that the Arbitrator shall have the power to use an expedited mediation/arbitration system to determine which facts are in dispute, and to limit or dispense with the calling of evidence, and where necessary to limit any evidence to such matters in dispute.
5. If the Union is successful in a claim for new subcontracting, the new work shall be added to the subcontracting thirty (30) days following the agreement of the parties, or the arbitrator's decision, as the case may be.
6. For projects covered by the MTABA Agreement, any work forming part of the claim shall be 'grandfathered', such that any work that has been tendered as of the date of the Union's request and awarded within the two-week period immediately after the Union's request may continue without regard to the new subcontracting requirement provided that the project at which the work subject to the Union's request commences within 1 year from the date of the Union's initial request.
7. If the Union is unsuccessful in a request under the Letter of Understanding (the "denied request") the parties agree that the Union shall not make any request for work forming any part of the denied request within the same geographic area and under the same collective agreement for (i) the duration

of the Collective Agreement during with the denied request was made; or (ii) for one (1) year from the date on which initial request was made, whichever is longer.

8. Further, the parties agree that with respect to any particular part of the high-rise residential sector of the construction industry which are added to the subcontracting provisions pursuant to this Letter of Understanding, then should, on the ninetieth (90th) day prior to the expiry of any subsequent agreement, the Union no longer will be in contractual relations with fifty-one (51%) of the relevant companies employing fifty five percent (55%) of the employees in that particular part of the high-rise residential sector of the construction industry, then the relevant sub-contracting provisions will be removed. The Parties agree that the above-noted paragraphs 1, 3, and 4 will also apply (with necessary modification) to the deletion or removal or any particular part of the high-rise residential sector of the construction industry.
9. The Parties agree that the above-noted tests and provisions will also apply to the inclusion and deletion of any new collective agreements to the cross-over provisions contained within Schedule "C" of the Collective Agreement.
10. It is understood that paragraph 8 above does not, in any way, apply to those particular parts of the residential sector of the construction industry which were added to the sub-contracting provisions or those collective agreements which were added to the cross-over clause of the Collective Agreement prior to May 1, 2019.

LETTER OF UNDERSTANDING NO. 11

Re: Subcontracting for Board Areas 7 and 27

- (a)** Where the employer seeks to contract or subcontract work set out in Article 1.04 (a) or (b) of the collective agreement on a specific job in Board Areas 7 or 27, and cannot obtain reasonable bids from contractors in contractual relations with the Union ("Union Contractors") for any such work, it shall advise the Union in writing and provide the Union with the tender/bid package for the specific work, the list and contact information for the contractors contacted for the work, and if the Union cannot get one Union Contractor to provide a reasonable bid for the work within 15 calendar days, the Union will waive the requirement for contracting or subcontracting for that specific work on that job.

Any dispute over the interpretation, application or alleged violation of this provision may be referred, by either party, to an expedited dispute process described as follows:

- (i)** Names of arbitrators: Eli Gedalof; Harvey Beresford; Bernard Fishbein; Jesse Nyman; and Brian Maclean.
 - (ii)** Time frames for hearing and decision (bottom line with reasons to follow) evenings and weekends.
 - (iii)** An employer who contracts or subcontracts in accordance with the decision of the arbitrator, or in accordance with the Union's waiver, will be deemed to be compliant with the contracting and subcontracting provisions of the agreement.
 - (iv)** In such a scenario, the employer will exercise best efforts to not contract or subcontract the work to a contractor who is bound to a collective agreement that covers the applicable work within the applicable Board Area with a union other than any local union of the Labourers' International Union of North America.
- (b)** For the purpose of clarity, the parties agree that the Union shall not in any manner whatsoever, grieve, penalize, fine, impose any consequence upon, or seek to enforce the applicable collective

agreement in any manner whatsoever against any contractor bound to a collective agreement that applies to work forming any part of the subcontracting provisions of the MTABA Agreement because the Builder has a non-Union contractor performing work in accordance with this Letter of Understanding. For the purpose of further clarity, enforcing the applicable collective agreement includes refusing to perform any work forming any part of the subcontracting provisions of the MTABA Agreement (or to continue to perform work) or to be directed or requested by the Union in any manner whatsoever or for any reason whatsoever, to work or not to work (or to continue to work or not to work) at the Builder's sites within the geographic scope of the TRCLB, DRCLB, or MTABA Agreement.

LETTER OF UNDERSTANDING NO. 13

Re: Hoist Operators

The parties agree that the operation of the personnel and material hoist is the work of a construction labourer and must be performed by a member of the Union employed under the Collective Agreement. Notwithstanding the generality of this agreement, the parties agree that the following shall apply outside the regular scheduled hours of operations (regular scheduled hours of operation which include daily and weekly overtime), which may include periods after regular hours and on weekends:

1. It is understood that the night watchperson / security personnel may operate the hoist as an elevator for their own transportation: to convey management and prospective tenants to see their units; or, to occasionally transport delivery personnel and their materials.
2. It is understood that the night watchperson / security personnel will not handle any materials being delivered and will solely operate the hoist. Handling of materials will be performed by the company delivering the materials, or by a construction labourer employed under the collective agreement
3. The exception in paragraph 1 to transport delivery personnel and their materials is meant to facilitate occasional after hours deliveries which must take place outside of regular scheduled hours of operations. If the Employer schedules deliveries after regular scheduled hours which will require more than three (3) hours of work, they shall assign a construction labourer as per the MTABA agreement
4. The parties agree that this letter shall form part of the collective agreement upon the signing of this LOU to April 30th, 2019 and shall be included in the renewal collective agreement for the period of May 1, 2019 to April 30, 2022.

APPENDIX "A"

I. EXPEDITED ARBITRATION

(a) Arbitrator

The Arbitrator under this provision shall be selected from the following group of Arbitrators in rotating order:

Derek Rogers

Michael Horan

Jack Slaughter

(b) Expedited Arbitration Procedure

1. The term "Grievance", wherever used in this Enforcement System, shall mean a grievance concerning the interpretation, application, administration or alleged violation of a provision of the Collective Agreements, including but not limited to; payment for hours of work; rates of pay; overtime premiums; travelling expenses; room and board allowances; reporting allowances; pension; welfare; industry fund and any other funds, dues or other form of compensation to or on behalf of an employee and/or Union referred to in the respective Collective Agreements.

2. Any party bound by this Enforcement System may initiate the Expedited Arbitration process by service of a Grievance, in writing, by facsimile transmission, registered mail or courier (including Canada Post Courier) on the affected Builder or Contractor. Service shall be deemed to be achieved if the grievance is received at the last known address of the Builder or Contractor; whether listed in the original Collective Agreement or at an alternate address for which written notification has been forwarded to the Union.

3. The Union may refer any grievance concerning a violation of the Collective Agreement to Expedited Arbitration. Notice of such referral to Expedited Arbitration shall be served by facsimile transmission, registered mail, regular mail or courier (including Canada Post Courier) upon the Contractor, the Association, the Builder and the Arbitrator.

4. Service shall be effective on receipt, if facsimile transmission, courier, registered mail or regular mail is used and all parties shall be deemed to have been properly notified.

5. The Arbitrator shall commence the Expedited Arbitration Hearings no sooner than five (5) days from the date of service of the Referral to Expedited Arbitration. Counsel, if retained by a party, must be able to accommodate the hearing schedule as set by the Arbitrator. Adjournments will not be granted because of the unavailability of counsel, for business demands or because a party asks for additional time to prepare.

6. Subject to the discretion of the Arbitrator, the Expedited Arbitration Hearings shall be held at the Union offices, and may be scheduled by the Arbitrator to commence after normal business hours including Saturdays and Sundays.

7. Where the Arbitrator finds the Builder or Contractor in breach of the Collective Agreement, the Arbitrator shall order the Builder or Contractor to pay all amounts owing with respect to violations of the Collective Agreement. For the following specific types of violations the following terms will apply:

(a) For payment of hours of work, rates of pay, overtime premiums, travel expenses, room and board allowances and reporting allowance in accordance with the following:

(i) where the Grievance is commenced within twenty-one (21) days after the circumstances giving rise to the grievance became known or ought reasonably to have become known to the affected employee(s), the Arbitrator shall award the affected employee(s) recovery of one hundred percent (100%) of all unpaid amounts plus an additional fifty percent (50%) of all unpaid amounts; or

(ii) where the Grievance is commenced between twenty-two and sixty (22-60) days after the circumstances giving rise to the Grievance became known or ought to

have reasonably become known to the affected employee(s), the Arbitrator shall award the affected employee(s) recovery of one hundred percent (100%) of the unpaid amounts; or

- (iii) where the Grievance is initiated at any time beyond sixty-one (61) days after the circumstances giving rise to the Grievance became known or ought reasonably to have become known, to the affected employee(s), the Arbitrator shall award recovery of seventy-five percent (75%) of unpaid amounts to be paid to the affected employee(s) and twenty-five percent (25%) of the unpaid amount to be paid to the Union in the form of damages.

(b) For payments in respect of Welfare, Pension, Prepaid Legal, Health and Safety, Training, Union Dues, Working Dues and Industry Fund or any other Fund referred to in the Collective Agreement and any interest or penalty payments provided for in the Collective Agreement, the Arbitrator shall award recovery of one hundred percent (100%) of the unpaid amounts.

(c) For all other matters.

8. The Arbitrator shall not have the jurisdiction to apply any principles of estoppel or waiver to reduce any amounts payable by the Contractor referred to in the applicable Collective Agreements in respect to violations.

9. The Arbitrator shall have the power to make the Arbitrator's costs (fees and expenses) an Award or part of an Award, to be payable to the Union, in trust for the Arbitrator.

- 10. (a) This arbitration process shall be in addition to and without prejudice to any other procedures and remedies that the parties may enjoy including applications to a court; or to the Ontario Labour Relations Board pursuant to section 96 of the *Labour*

Relations Act, 1995, as amended; or the *Construction Lien Act*; or any other operative legislation; or provided under any Collective Agreement.

(b) Any grievance concerning the interpretation, application, administration or alleged violation of the Collective Agreement may be processed through the grievance/arbitration procedure outlined in the Collective Agreement or under this Expedited System or referred to arbitration pursuant to section 133, or any other applicable section, of the *Labour Relations Act, 1995* provided however that any grievance may not be processed under more than one of these arbitration mechanisms.

(c) Where a grievance has been properly referred under the procedure provided for in this Enforcement System, it is understood and agreed that all of the parties shall be deemed to have waived any right to refer the Grievance to arbitration under section 133 of the *Labour Relations Act, 1995* or pursuant to the appropriate Articles of the Collective Agreement and any such referral shall be null and void.

(d) In the alternative, should a grievance which has been or could have been, referred to arbitration under this system be referred to arbitration under section 133 of the *Labour Relations Act, 1995*, or under the appropriate Articles of the Collective Agreement, and should the Ontario Labour Relations Board, or any other Arbitrator determine it has jurisdiction, then the parties agree that the terms of this Enforcement System form part of the Collective Agreement and will be applied as such and will be varied solely to reflect the different method of referral.

(e) It is understood and agreed that the Arbitrator's decision is final and binding with respect to those matters remitted to the Arbitrator. The Arbitrator shall have all the powers of an Arbitrator under the *Labour Relations Act, 1995*, as amended, including but not limited to the power to require

records and/or documents to be produced prior to and/or at the hearing and the power to issue summons to witness and thereby compel attendance. The decision of the Arbitrator, inclusive of orders for payment of any monies in respect of damages, costs, Arbitrator's fees and/or penalties, is deemed to be a decision of an Arbitrator pursuant to the *Labour Relations Act, 1995*, as amended, and enforceable as such.

At Expedited Arbitration the Arbitrator shall not have any power to alter or change any of the provisions of this Enforcement System or substitute any new provisions for any existing provisions nor give any decision inconsistent with the provisions of this Enforcement System and the Collective Agreements.
